JONARD P. PAJARILLAGA

Quezon City, Philippines | 0931 093 7528 | pajarillagajonard@gmail.com

CAREER OBJECTIVE

Fourth-year Computer Science student seeking an On-the-Job Training position where I can apply my skills in computer systems servicing, networking, and software development. Eager to learn from experienced professionals, contribute to real projects, and grow as an IT practitioner.

EDUCATIONAL BACKGROUND

STI Academic Center Sta. Mesa 2023 – Present

Bachelor of Science in Computer Science (4th Year)

Presentacion National High School 2021 – 2023

Senior High School, TVL-ICT – Computer Systems Servicing (CSS)

Graduated With High Honors

Presentacion National High School 2017 – 2021

Junior High School

SKILLS

- **Hardware & Systems:** PC assembly, BIOS/UEFI configuration, OS and driver installation, troubleshooting, preventive maintenance
- **Networking:** UTP cable crimping (straight-through and crossover), LAN setup, IP addressing, basic server roles (DHCP, DNS, file sharing)
- **Programming (basic):** Java, C# (Unity), Lua/Luau (AI-assisted)
- **Tools:** Unity, Git/GitHub, Microsoft Office, AI coding assistants
- **Soft Skills:** Problem-solving, willingness to learn, teamwork, time management

PROJECTS

CADSNET – Cybersecurity Awareness Game *(Game Developer)* Capstone Team Project · Ongoing

- Developing a 3D game in Unity (C#) that teaches players to spot real-world cyber threats such as unsafe public Wi-Fi, phishing messages, fake software updates, and unknown flash drives.
- Built gameplay systems including player interaction, an in-game phone and laptop interface, NPCs, and chapter-based objectives.

Key System Website Personal · Sep 2026 – Present

- Building a website that issues and validates access keys for users of my automation tools.

Java Console Applications Academic

- Created a Grade Tracker, Contact Book, To-Do List, and ATM Simulation applying object-oriented programming concepts.

WORK EXPERIENCE

Freelance Script Developer Sep 2026 – Present

- Create Luau automation scripts and user interfaces for online clients with the help of AI tools.
- Test, debug, and update scripts based on user feedback.

TRAININGS AND CERTIFICATIONS

Computer Systems Servicing NC II – TESDA Certified 2023

Training completed at Presentacion National High School – Senior High School

- Install and configure computer systems; set up computer networks; set up computer servers; maintain and repair computer systems and networks.

ACHIEVEMENTS AND AWARDS

- **Technolympics 2023**, Computer Systems Servicing (all four CSS NC II core competencies): **1st Place, Division Level** and **5th Place, Regional Level**
- With High Honors – Grade 12, Presentacion National High School (2023)
- Consistent Honor Student – Grades 8 to 11, Presentacion National High School
